Complaint # 89929

**Offer of Settlement In Lieu of Filing a Formal Disciplinary
Complaint**

Dear Messrs. Bertin and Arjani:

This letter is to advise you that the New Jersey State Board of Architects and New Jersey State Board of Professional Engineers and Land Surveyors (hereinafter "Boards") have had an opportunity to review information that you and/or your firm, Bertin Engineering Associates, Inc., (collectively "you") offered and provided architectural services without a Certificate of Authorization in violation of N.J.S.A. 45:3-18.

More specifically, you admittedly offered and provided architectural services in New Jersey through Bertin Engineering Associates, Inc., d/b/a Retail Design Studio, from 2003 through November 2012 without a Certificate of Authorization. Thereafter, you formed a corporation, Bertin Design Studio Corp., d/b/a Retail Design Studio, and received a Certificate of Authorization on December 28, 2012 to offer and provide architectural services in New Jersey.

Upon review of all available information, the Boards have preliminarily found that probable cause exists to support a finding that you are in violation of N.J.S.A. 45:3-18 in that you admittedly failed to obtain the required Certificate of Authorization for Bertin Engineering Associates, Inc. from 2003 through 2012.

As a result of the foregoing, the Boards have preliminarily determined that the above violation is sufficient to warrant the initiation of formal proceedings against you. Notwithstanding that decision, the Boards have determined that it will first offer you an opportunity to settle this matter in an attempt to avoid the initiation of more formal proceedings if you consent to the following terms:

1. Agree to immediately **CEASE AND DESIST** from offering and/or providing architectural services through Bertin Engineering Associates, Inc.; and
2. Payment of a civil penalty totaling **\$9,000.00** to be paid **immediately** upon your signing of the acknowledgment at the bottom of this letter in connection with your violation of N.J.S.A. 45:3-18.

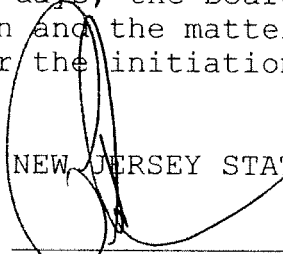

In making a determination, you should know that pursuant to N.J.S.A. 45:1-25 any person who engages in conduct which is in violation of any provision of the statutes and regulations administered by the Boards shall, in addition to any other sanctions provided by statute, be liable for a civil penalty of not more than \$10,000.00 for the first violation and not more than \$20,000.00 for the second and each subsequent violation. However, in an effort to resolve this matter amicably, the Boards offer to settle on the terms stated above. If you are willing to resolve this matter on the offered settlement terms, you may do so by signing the acknowledgment at the bottom of this letter and returning it to the Board office within 15 days. In such event, this letter shall be a matter of public record.

In the event you are unwilling to settle this matter on the offered terms, it will be referred to the Attorney General's office for the initiation of a disciplinary proceeding. In such event, you will be afforded an opportunity to defend against the alleged violations. If an evidentiary hearing is deemed warranted, the Boards will either conduct that hearing at a date and time to be scheduled or refer the matter to the Office of Administrative Law. You are advised, however, that in the event formal charges are filed, the Boards may assess civil penalties in an amount greater than that herein offered in settlement should any charges against you be sustained. Additionally, the Boards may, if the facts herein or any additional facts are found to so warrant, enter an order requiring you to reimburse certain monies and/or requiring you to pay costs incurred by the Boards.

If you elect to settle this matter, you should sign the acknowledgment at the bottom of this letter and return it to the Boards within fifteen (15) days following your receipt of this letter. In the event that the Boards receive no response from you within fifteen (15) days, the Boards' settlement offer shall be considered withdrawn and the matter will be referred to the Attorney General's Office for the initiation of a formal disciplinary proceeding.
